Your completion of this Intake Form will help us determine whether our services might help your child. Upon our review of this Form, we will contact you to set up an initial appointment as a new patient, or, if we believe that the Practice's services may not meet your child's needs, we may offer to discuss possible alternative practitioners at the Lydian Center. In both cases, we will maintain the information you have provided in this Intake Form in a confidential manner in accordance with our privacy practices, regardless of whether your child becomes a patient of the Practice.

Please note that each non-chiropractic practitioner practicing at the Lydian Center owns and operates his/her own clinical practice and is not affiliated with Lydian Chiropractic. While we may work closely with the practitioner(s) we discuss with you, we are not liable for any care or treatment provided by him/her. In addition, we would like to remind you that you have the right to seek treatment and care for your child from any practitioner at any facility you choose.

Because some of our patients have allergies, we ask you not to wear scented products (e.g., perfumes, hair products, aftershaves, clothing dried with Bounce® dryer sheets) to this office. Please check here to acknowledge this request:
